Lung Slice Imaging System	1	\$50	\$10	N/A	\$55	\$12	N/A

Training Fee: hourly rate for one on one training

User Fee: hourly rate for equipment use by fully trained user

Full Service Fee: hourly rate for work done by technician (no training time required)

Consultation on what equipment is best suited for your study, some experiment planning, estimates of study time/costs, and technical support for a trained user are usually provided at no extra cost.
